

SPENT

ON GOD
Internship

Mission Statement

The **SPENT** Internship is significant part of The Prayer House of Chico, CA.

SPENT is focused toward developing young adults into a regional and international movement of passionate lovers and worshippers of Jesus who seek to intimately know Him and to make Him known. We are not just workers who love Him, but lovers who work with Him. We desire to hear and obey His voice.

We are convinced that this generation of young adults can change the spiritual atmosphere in our region and internationally by chasing after the Father through intercessory worship.

These core values are realized by being in the presence of God on a continuum and through core teachings and bringing impartation on such topics as: Identity in Christ (Bridal Paradigm), Hearing the Voice of God, Harp & Bowl, Prophetic Worship, Intercessory Worship, Musical Skills, Beauty Realm of God, Intercession, Father Heart of God, Spiritual Gifts, and more.

SPENT will stay on a focus of intercessory worship, twenty-four-seven.
